

ENDORSEMENTS

Maj. General Paul Vallely

(US Army retired, Fox News, Stand Up America)

...All our legislatures are in dire need of principled public servants who will put loyalty to the Constitution and the principles that guarantee our freedom ahead of party affiliation, money and special interests. I believe you will keep that oath as a Representative...

Gerry Donaldson (Radio Host) ...I heartily endorse Melissa Pehle-Hill as a State Representative in Texas as she not only understands her responsibilities as State Representative, but she has also sought to educate herself on the principles our government was founded on...

Lloyd Marcus (Tea Party Express) ...Melissa is committed to restoring conservative principles, liberty and freedom. Melissa is the kind of representative Austin and America needs...

General Jim Cash (USAF retired) ...Melissa's conservative philosophy of limited government, lower taxes, states rights, domestic energy development, family values and Second Amendment rights place her head-and-shoulders above other contenders...

Michael Johns (Heritage Foundation) ...Melissa has proven an advocate for the core principles of American liberty, including limited government, tax reductions, states' rights, domestic energy development, a strong defense, and an understanding of the critically important, unique role of the United States in the world...
